

Rossella E. Nappi – Born in Naples (Italy) – 1965

Associate Professor of Obstetrics and Gynecology, Research Center for Reproductive Medicine and Director of the Gynecological Endocrinology & Menopause Unit, IRCCS San Matteo Foundation, University of Pavia (Italy)

MD, PhD

Gynecologist, Endocrinologist, Sexologist

Dr Nappi's major interests are psychoneuroendocrinology of female reproductive life and women's sexuality. She has published around 250 scientific articles in peer-reviewed journals and international books with more than 8000 citations (HF Google Scholar 47).

She is a well-known speaker on women's health from adolescence to menopause. She has been very active in many international meetings and research projects in the field of contraception, menopause and female sexual dysfunction.

She is past president of the International Society for the Study of Women Sexual Health (ISSWSH) (2007-2008) and actual President of the Italian Society of Psychosomatic Obstetrics and Gynecology (SIPGO). At present, she is permanent member of the advisory board of the International Society of Gynecological Endocrinology (ISGE) and has been recently re-elected member of the advisory board of the International Menopause Society (IMS) (2008-2014; 2016-2018).
