

### Personal information

- *Name and Surname* : Enrico Oddone
- *Birth date* : March, 21, 1978, Alessandria (Italy)
- *Address* : Home: Via Alboino 4, 27100, Pavia (PV); Office: Via Severino Boezio 24, 27110, Pavia (Italy)
- *Telephone*: +39 0382 592838; *Mobile*: +39 338 9730461; *Fax*: +39 0382 592839
- *Email* : enrico.oddone@unipv.it; enrico.oddone@gmail.com

- *Profession* : Occupational physician; Assistant professor of occupational medicine, Department of Public Health, Experimental and Forensic Medicine, Occupational Medicine Unit, University of Pavia (Italy)
- *Main research fields of interest* : Epidemiology of occupational cancers; Epidemiology of neurological chronic diseases; Occupational medicine; Epidemiological methodology

### Academic career

- *2013 - today* : Assistant Professor in Occupational Medicine - University of Pavia (Italy)
- *2011-2013* : Research Fellow in Occupational Medicine - University of Pavia (Italy)
- *2010-2011* : Scholarship Holder in Epidemiology - University of Eastern Piedmont, Novara (Italy)

### Educational experience

- *2013* : Master degree in Epidemiology - University of Turin (Italy)
- *2009* : Postgraduate degree in Occupational Medicine, University of Pavia (Italy)
- *2009* : Advanced residential course in Epidemiology - National Institute of Health (Rome, Italy)
- *2009* : Basic residential course in Epidemiology - National Institute of Health (Rome, Italy)
- *2004* : Degree in Medicine and Surgery, University of Pavia (Italy)

### Research experience

- *2014- today*: Co-supervisor of individual grant funding. Research theme: Characterization of occupational exposure to volatile anaesthetics sevoflurane and desflurane in operating rooms and post anaesthesia care units. Portuguese Ministry of Education and Science, [SFRH/BD/101967/2014].
- *2014- today*: LUME study: High resolution study on long-term survivors of mesothelioma.
- *2014-today* : Asbestos Project study: Italian pooled cohort study of workers exposed to asbestos
- *2011 - 2013* : Night work and shift work study: Population-based case-control study dealing with risks of breast cancer of women exposed to Night work and shift work.
- *2010 - 2013* : OCCAM project: Occupational cancers monitoring studies with a large population-based case-control design.

### Editorial experience

- *2013 - today* : Reviewer and editorial board member of Giornale Italiano di Medicina del Lavoro ed Ergonomia (G Ital Med Lav Ergon)
- *2014* : Reviewer for Toxicology Letters (Toxicol Lett)
- *2015*: Reviewer for Tumori Journal (Tumori)
- *2014* : Reviewer for NIOSH Manual of Analytical Methods (NMAM) - Method 8319 - Acetone and MEK
- *2014 - today* : Reviewer and editorial board member of Global Journal of Health Science (Glob J Health Sci)
- *2014* : Reviewer and editorial board member of Austin Journal of Public Health and Epidemiology (Austin J Public Health Epidemiol)
- *2014* : Reviewer for Multiple Sclerosis International (Mult Scler Int)
- *2014* : Reviewer for European Journal of Oncology (EJO)
- *2014* : Reviewer for Cancer Research Frontiers (CRF)
- *2013* : Reviewer for International Archives of Occupational and Environmental Health (Int Arch Occup Environ Health)
- *2013 - today* : Reviewer and advisory board member of Journal of Environmental and Occupational Science (Jenvos)

### Teaching experience

- *2014*: Lecturer in Occupational Medicine, Postgraduate School in Occupational Medicine, University of Pavia (Italy).

## Curriculum Vitae - Enrico Oddone, MD

---

- 2014: Lecturer in Occupational Medicine, undergraduate course in Medicine and Surgery, University of Pavia (Italy).
- 2014: Lecturer in Informatics, Undergraduate degree courses for health professions, University of Pavia (Italy).
- 2014 : Supplementary Lecturer in Occupational Medicine, Undergraduate degree courses in orthoptic, occupational therapy and physiotherapy, University of Pavia (Italy).
- 2014 : Lecturer in Occupational Therapy, Master of musical therapy, University of Pavia (Italy).
- 2013-today : Supplementary lecturer in Occupational Medicine, Undergraduate degree course in prevention techniques for the working place and environment, University of Pavia (Italy).
- 2013 : Lecture "Occam Study and multiple sclerosis", Italian National Cancer Institute, Milan (Italy)
- 2011 : Lecture "Occupational cohorts and fishing expeditions" at the Undergraduate degree course in medicine and surgery, University of Eastern Piedmont (Italy).
- 2010 : Lecture "Cohort Study on Fibronit cement factory workers (Broni, Pavia, Italy)", University of Turin (Italy).

### Other professional experiences

- 2011 - today : Expert witness in some civil and criminal trials regarding occupational exposures and occupational diseases.
- 2009 - 2013 : Occupational physician for several industries.

### Scientific memberships

- 2014 : ICOH, International Commission on Occupational Health.
- Member of the ICOH Scientific Committee on Occupational Medicine (SCOM).
- Member of the ICOH Scientific Committee on Epidemiology (EPICOH).
- Member of the ICOH Scientific Committee on Rural Health: Agriculture, Pesticides and Organic Dusts.
- 2014 : SIMLII, Italian Society of Occupational Medicine and Industrial Hygiene
- 2014 : AIE, Italian Association of Epidemiology
- 2014 : SIRAS, Italian Society for High Specialized Rehabilitation - Auditor

### Languages

- *Italian* : Mother tongue.
- *English* : Reading and writing: optimal; Speaking: good.
- *French* : Reading: optimal; Speaking and writing: good.

### IT skills

- Excellent knowledge of Microsoft office package and Stata.P
