  - **Dates (from – to)**
    - Name and address of employer
      - Type of business or sector
      - Occupation or position held
    - Main activities and responsibilities
- 01/02/2018 – 31/01/2019**  
Università degli Studi di Pavia, corso Strada Nuova,  
University/Research  
Post-doc in Linguistics  
Project “Sociophonetics of Italian as second language (L2) and second dialect (D2)”.  
Main duties: prepare the research protocol, perform recordings with students in various colleges of the University of Pavia, transcribe and annotate the data acoustically, analysis and publications of the results.
- 19/09/2017 – 01/09/2018**  
Università degli Studi di Pavia, corso Strada Nuova,  
University / Research  
Contract Professor  
Teaching activities within the class “Sociolinguistics A” (36 hours)  
Target: BA students in Humanities, BA students Foreign Languages, and MA students in Linguistics.  
Main topics: working within the SL paradigm of research, the SL of Italian, sociophonetics and experimental research, historical sociolinguistics and theoretical problems.
- 17/07/2017 – 31/08/2017**  
Scuola Normale Superiore, piazza di Cavalieri 7, 56126 Pisa, Italia  
University / Research  
Research consultant and collaborator  
Research within the project “Articulatory experiment on Italian with UTI: tracking of tongue profile with the software AAA” (project leader, dr. Chiara Celata, Scuola Normale Superiore). Main duties of the collaborator
- Pre-processing of the UTI data (2,500 tokens)
  - Automatic tracking and manual correction of the tongue profile in the software AAA (Articulate Assistant Advanced) of 2,500 tokens up to the articulatory analysis;
  - Extraction of the tongue profiles of each subject and of the values of tt\_velocity and tt\_distance in a defined fan-line
  - Define the most correct fan-line for specific analysis in each subject
  - Articulatory and acoustic analysis of the data within the Articulatory Phonology framework (together with the other members of the project)
- 06/06/2016 – 05/06/2017**  
Scuola Normale Superiore, piazza di Cavalieri 7, 56126 Pisa, Italia  
University / Research  
Post-doc Fellow  
Research within the project “Spatial-temporal coordination of vocalic and consonant gestures: phonetic and socio-communicative aspects of variation” (project leader, dr. Chiara Celata,

Scuola Normale Superiore). Main duties of the post-doc fellow

- Preparation of the research protocol
- Recordings of 10 subjects with Ultrasound Tongue Imaging (UTI) technique through the software Articulate Assistant Advanced (AAA)
- Recordings of 20 subjects for the acoustic analysis
- Pre-processing of the UTI data and preparation of the whole corpus
- Phonetic annotation in PRAAT of the whole corpus (9,000 tokens)
- Automatic tracking and manual correction of the tongue profile in AAA of 3,000 tokens up to the articulatory analysis;
- Extraction of the tongue profiles of each subject and of the values of tt\_velocity and tt\_distance in a defined fan-line
- Articulatory and acoustic analysis of the data within the Articulatory Phonology framework (together with the other members of the project)

**• Dates (from – to)**

**03/09/2015 – 07/10/2015**

- Name and address of employer
  - Type of business or sector
  - Occupation or position held
- Main activities and responsibilities

Scuola Normale Superiore, piazza di Cavalieri 7, 56126 Pisa, Italia

University / Research

Research consultant and collaborator

Collaboration and consultation within the project “Modeling speech variation in the socio-communicative context: the corpus SoPhISM (SocioPhonetics of verbal Interaction: Sicilian Multimodal corpus)” (project leader, dr. Chiara Celata, Scuola Normale Superiore di Pisa). Main duties of the collaborator:

- Transcription and phonetic annotation of rhotic sounds in Italian and Sicilian (about 4,000 tokens);
- Acoustic analysis of the data;
- Import of the transcription in the software AAA (with conversion AA > AAA);
- Articulatory analysis through palatograms (EPG analysis)
- Presentation of the results in international conferences and in academic papers (in collaboration with the other project members)

**• Dates (from – to)**

**01/01/2015 – 30/04/2016**

- Name and address of employer
  - Type of business or sector
  - Occupation or position held
- Main activities and responsibilities

Free University of Bolzano/Bozen, piazza Università 1, 39100 Bolzano

University / Research

Research assistant

Research within the project “Hidden Multilingualism” (project leader, Frau Prof. Rita Franceschini; project founded by Switzerland National Found for Research). Main duties of the research assistant:

- Selection of the relevant bibliography and previous studies pertaining the project;
- Discovering of the relevant materials in the public archives (Provincial Archive and Chamber of Commerce Archive) for the analysis of written practices in 17<sup>th</sup> and 18<sup>th</sup> century Tyrol.
- Preparation of the research protocol for cataloguing and transcribing data in the software ELAN
- Catalogue of about 4200 commercial and private letters dated between 1794 and 1824, as preserved in public archives;
- Annotation of the data for the analysis of multilingual practices in historical Tyrol
- Presentation of the results in international conferences

**• Dates (from – to)**

**01/10/2014 – 30/09/2015**

- Name and address of employer
  - Type of business or sector
  - Occupation or position held
- Main activities and responsibilities

University of Pavia, piazza Botta 6, 27100 Pavia (PV), Italy

University / Research

Contract Professor

Teaching activities within the class “Sociolinguistics” for BA students in Humanities, and Foreign Languages, and for MA students in Linguistics.

**• Dates (from – to)**

**01/04/2014 – 30/11/2014**

- Name and address of employer
  - Type of business or sector
  - Occupation or position held

Free University of Bolzano/Bozen, piazza Università 1, 39100 Bolzano

University / Research

Research Assistant

• Main activities and responsibilities

Research activity within the project “Citabol – Corpus of Bolzano Italian” (formal project leader, dr. Alessandro Vietti, Free University of Bolzano/Bozen):

- Orthographic transcription of 42 sociolinguistic interviews with Bolzano Italian speakers with the software ELAN;
- Preparation of the research protocol for the annotation of the relevant sociolinguistic phenomena;
- Phonetic annotation of 4244 dental affricates with software PRAAT
- Presentation of the main results at international conferences, and in academic papers

• Dates (from – to)

**01/11/2013 – 31/03/2014**

• Name and address of employer

Free University of Bolzano/Bozen, piazza Università 1, 39100 Bolzano

• Type of business or sector

University / research

• Occupation or position held

Research Assistant

• Main activities and responsibilities

Research activities within the project “Prosodisch basierter Schifferwerb” (project leader, prof. Johann Druml, Free University of Bolzano/Bozen):

- Preparation of the audio files for analysis;
- Transcription of the data in the software ELAN;
- Preparation of the research protocol for the phonetic and phonology annotation;
- Phonetic and prosodic annotation of 3,000 tokens in PRAAT.

## EDUCATION AND TRAINING

• Dates (from – to)

**01/10/2010 – 30/09/2013 (PhD discussion 23/01/2014)**

• Name and type of organisation providing education and training

University of Pavia (founded by Free University of Bolzano/Bozen)

• Principal subjects/occupational skills covered

Theoretical and Applied Linguistics, Sociolinguistics, Phonetic. Dissertation’s title “Le affricante dentali nell’italiano di Bolzano. Un approccio sociofonetico” (Dental affricates in Italian of Bolzano. A sociophonetic approach).

• Title of qualification awarded

Ph.D.

• Level in national classification (if appropriate)

Dottore di ricerca

• Dates (from – to)

**01/10/2008 – 15/09/2010**

• Name and type of organisation providing education and training

University of Oriental Piedmont (Vercelli)

• Principal subjects/occupational skills covered

General and Applied Linguistics, Historical Linguistics, Ancient Greek, Classic Philology. MA thesis “Lisistrata, Praxagora e le altre: un’analisi sociolinguistica e pragmatica della lingua delle donne in Aristofane” (Lysistrata, Praxagora and the others: a sociolinguistic and pragmatic analysis of female language in Aristophanes)

• Title of qualification awarded

MA

• Level in national classification (if appropriate)

110/110 cum laude

• Dates (from – to)

**01/10/2005 – 17/09/2008**

• Name and type of organisation providing education and training

University of Oriental Piedmont (Vercelli)

• Principal subjects/occupational skills covered

Humanities, General Linguistics, Sociolinguistics, Ancient Greek, Latin, Classic Philology, Italian language and linguistics. BA thesis “La ‘Lisistrata’ di Aristofane: un approccio sociolinguistico e pragmatico” (Aristophanes’s Lysistrata: a sociolinguistic and pragmatic approach).

• Title of qualification awarded

BA

• Level in national classification (if appropriate)

110/110 cum laude

## OTHER COURSES

• Dates (from – to)

**October- November 2015 (8 weeks, 3 hour per week)**

• Name and type of organisation

Lancaster University, online course

providing education and training

- Principal subjects/occupational skills covered

- Title of qualification awarded

• **Dates (from – to)**

- Name and type of organisation providing education and training
- Principal subjects/occupational skills covered

- Title of qualification awarded

**PERSONAL SKILLS AND COMPETENCES**

*Acquired in the course of life and career but not necessarily covered by formal certificates and diplomas.*

**MOTHER TONGUE**

**OTHER LANGUAGES**

- Reading skills
- Writing skills
- Verbal skills

- Reading skills
- Writing skills
- Verbal skills

- Reading skills
- Writing skills
- Verbal skills

**SOCIAL SKILLS AND COMPETENCES**

**ORGANISATIONAL SKILLS AND COMPETENCES**

Corpus linguistics: Method, analysis, interpretation

- Explore corpora
- Built an annotated corpus
- Extract information from corpora for analysis in various subfields of Linguistics

Statement of participation (<https://www.futurelearn.com/statements/2iz0tsk>)

**August-October 2015 (8 weeks, 3 hour per week)**

The Open University, online course

Start Writing Fiction

- Creative writing: basic concepts
- Creating characters
- The process of writing
- Develop your writing skills

Statement of participation (<https://www.futurelearn.com/statements/bzm3bze>)

BASIC

GOOD

Thanks to my previous experiences within international research projects, I have acquired good communicative skills and social competences in particular in team-work, in a multicultural environment and in those situations where collaborations among team members is particularly needed to fulfill the task of a research work. This is also testified by joint papers I've published in recent years.

My previous experiences as research assistant and post-doc fellow allowed me to strengthen my organisational skills, in particular for what it concerns the coordination and supervision of several research projects at one time, and of different team members of the research groups. In my previous jobs, I've demonstrated to be able to adapt quickly to re-prioritization and changes in ongoing or new projects.

The teaching activity at University of Pavia together with the Post-doc Fellowship at the Scuola Normale Superiore in Pisa provided me with new competences concerning the presentation of international research projects, economic policies, and research administrative reports.

All the previous experiences allowed me to develop excellent organisational skills both for my working schedule and for the organization of small research groups, in particular with short deadlines.

TECHNICAL SKILLS AND COMPETENCES	<p>Excellent skills with Office softwares (in particular, Word, Excel, and Powerpoint)</p> <p>Excellent skill in orthographic and phonetic transcription, and linguistic annotation with both the softwares ELAN and PRAAT, in particular on Italian. I have acquired these skills during my PhD, and mastered them in the following post-doc experiences.</p> <p>Good skill in articulatory (phonetic) analysis with the software Advanced Articulatory Assistant (AAA), in particular for the UTI and EPG analysis, as acquired during my last research activities at the Scuola Normale Superiore in Pisa within two different research projects.</p>
ARTISTIC SKILLS AND COMPETENCES	<p>Excellent competences of academic writings, as well as journalist and creative writings, as acquired during my studies and my research experiences.</p> <p>As a personal pastime, I cultivate my drawing skills, by participating at drawing classes at Lucca Manga School. I am also part of cultural associations devoted to comics and comics drawing (e.g., Novel Comix, Fumetti di sabbia).</p>
OTHER SKILLS AND COMPETENCES	<p>Good skill in the organization of events and cultural activities, in particular those dedicated to teens and related to comics.</p>
AWARDS	<p>“Franco Ferrero – 2015” Award assigned by the Italian Association of Speech Sciences (AISV) for the article “Sociophonetic variability in place of articulation of dental affricates in Bolzano Italian”, published in the Proceedings of the 10th AISV Conference, Torino, 2014.</p> <p>“Claudia Augusta – 2015” Award assigned by the Provincial Library “Claudia Augusta” of Bolzano for the PhD thesis “Le affricate dentali di Bolzano. Un approccio sociofonetico” (Dental affricates in Bolzano Italian. A Sociophonetic approach).</p>
DRIVING LICENCE(S)	<p>B-type (cars)</p>
